

PATRIOT

PATRIOT

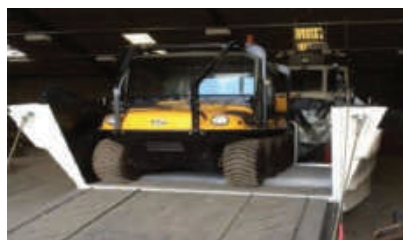

Our landing craft "Patriot" is coded for 8 persons. This Vessel has a reinforced hull on triple bilge keels for doing beach landings on any beach surface.

Patriot is capable of landing on rocks due to the reinforced hull design. This vessel has a large hydraulic bow door for loading cargo and personnel on the beach or a slip way.

Patriot has a 5-ton capstan winch for the stern anchor or any other heavy lifting and has a new up to date stability booklet for carrying cargo.

Patriot can carry 1 or 2 of our Amphibious Argocats for all terrain driving and safety evacuation and has:-

- 360-degree view
- Toilet and holding tank
- Fresh water
- Large seating area
- Engines which are always heated and ready for fast use

PRINCIPAL DIMENSIONS

Length	14.0 Metres
Beam	3.5 Metres
Draft	0.7 Metres
GRT	12 Tonnes

PERFORMANCE

Main Engines	2 x Yanmar 315HP
Gearboxes	ZF V-Drives
Propellers	4 Blade
Fuel capacity	1100 Litres
Range	240 NM Approx.
Speed	22 knots
MCA coding	Category 2-60 miles from safe haven
Cargo capacity	Marine Capstan 3000kg
Fuel consumption top speed	75 litres per hour
Fuel consumption cruising speed	55 litres per hour
Fuel consumption slow speed	10 litres per hour

ELECTRONICS EQUIPMENT

Koden Marine Chart Plotter	3 X Icom VHF Hand Helds
